

Staying Safe and Healthy

COVID Corner

with the Area Agency on Aging District 7

As Ohio moves forward with its phased approach to releasing the vaccine, be on the lookout for COVID-19 scams.

According to the Senior Medicare Patrol:

- You will likely not need to pay out of pocket to get the vaccine.
- You cannot pay to get your name on the list to get a vaccine early.
- You will not be contacted by Medicare, the Health Department or a vaccine distribution center asking for your Medicare number, Social Security number or any banking information.
- Beware of providers offering other products, treatments or medicines to prevent the virus.
