## **COVID Corner**

*with the Area Agency on Aging District 7*

**Ohio is taking a phased approach to the release of the COVID-19 vaccine.**

- *In Phase One, the supply is limited and focused on those most at risk, essential healthcare workers, and persons caring for COVID-19 patients.*
- *In Phase Two, the supply will increase as Ohio focuses on other critical populations.*
- *In the final phase, the vaccine will become more readily available to all Ohioans who choose to take the vaccine.*
