Area Agency on Aging District 7

Welcome to our May 2024 news e-blast - sharing our "Top Three" focus items for this month. As always, reach out to us with any questions and follow us on our social media platforms!

1

Older Americans Month

Every May, the Area Agency on Aging District 7 (AAA7) joins the Administration for Community Living in the observance of Older Americans Month, a time to recognize older Americans' contributions, highlight aging trends, and reaffirm commitments to serving the older adults in our communities. The 2024 theme is "Powered by Connection", which recognizes the profound impact that meaningful relationships and social connections have on our health and well-being. This month, the AAA7 has been meeting with the County Commissioners in our ten counties and helping celebrate the occasion at local events throughout our district.
