

**SRS RECOVERY MANAGER (Behavioral Health) – JACKSON or WHEELERSBURG  
(Lawrence County Caseload)**

SUMMARY: Provide recovery management services to individuals with severe and persistent mental illness or Diagnosed Chronic Conditions enrolled on the Specialized Recovery Services Program. Perform program eligibility assessments and propose service plans for individuals on the program. Service plans include both services provided through the SRSP and referral and coordination of other state plan Medicaid and non-Medicaid community-based services. Evaluate appropriateness of services and monitor outcomes to ensure consumer's needs are being met. Provide initial incident reporting and incident management to ensure health and welfare of program participants. Work collaboratively with identified health care providers to assist individuals to access health services.

**Registered Nurse or a Bachelor's Degree in Social Work, Counseling, Psychology or a related field** and have a minimum three years post degree experience working with individuals with severe and persistent mental illness or have a minimum one year of post degree experience working with individuals with diagnosed chronic conditions.
