Long-Term Services and Supports

---

*Ohio is making it easier for individuals to get the help they need at home and have the choice to stay in their communities, regardless of age or disability.*

## Ohio Benefits Long-Term Services and Supports (OBLTSS)

- OBLTSS is a network in Ohio that connects individuals to information, resources and community-based long-term services and supports.
- A support navigator will answer your questions about OBLTSS, connect you to community resources and may recommend that you complete a Medicaid application.
