## **COVID Corner**

*with the Area Agency on Aging District 7*

### **COVID-19 Variants**

The virus that causes COVID-19 is constantly changing through mutation, leading to new variants, including variants of concern. These have the potential to spread more easily and quickly than other variants, which could lead to more cases of COVID-19. You can learn more at: <https://www.cdc.gov/coronavirus/2019-ncov/covid-data/covidview/index.html>

***Information about vaccine providers in our ten core counties is available at our website at [www.aaa7.org](http://www.aaa7.org) or by calling 1-800-582-7277 Monday through Friday from 8:00 am until 4:30 pm. This includes Adams, Brown, Gallia, Highland, Jackson, Lawrence, Pike, Ross, Scioto and Vinton.***
